God designed us for _____ because we are

Four Benefits

_____ is with me?

2. More _____ (v.10)

I _____?

3. More _____ (v.11)

4. More _____ and _____ (v.12)

disciple-making group of people?

Final Thought:

Is Jesus _____ into the very _____
of your life?

1. Where in your life are you tempted to pursue
“more” at the expense of meaningful
relationships? What might it be costing you?

2. Who are you discipling and who is discipling
you?

3. When you fall — spiritually, emotionally, or
practically — who actually knows and steps in?
And whose burdens are you helping carry right
now?

4. How close are you allowing others to get to your
real life? What does biblical community look like
in your life?

5. Is Jesus intentionally woven into your
relationships? What would change if He were
truly the third strand? How would your disciple
making improve?
