Discussion Questions

1. Ecclesiastes contrasts the "wise" and "foolish."
How would you describe the major differences between the two?
2. The Bible says that words have tremendous power. What is a recent example where you have experienced this truth? (positive or negative).
3. What connection does Jesus make between the heart and the mouth (Matthew 12:34)? How is this relevant to our use of words?
4. Clay gave 8 challenges for how to use words. Which one is the biggest challenge for you and why? Are there any of the eight whereby you have seen significant growth in your life? If so, tell us about it.
