

# best Summer ever!

Johnson Ferry Adults 60+ | Summer 2026

Changing Georgia  
One Child at a Time

Wed. Jun 10 | 12:30—11pm | Roberta, GA

The mission of Camp Grace is to transform the lives of urban, underserved youth by providing grace-filled overnight camps. They have found that getting Georgia's youth out of the city environment for extended overnight stays, showing them unconditional love, and speaking hope into their lives transforms the campers. Camp Grace now knows from experience that, together with its partners, they are starting to break the cycle of poverty, crime, teen pregnancy, and the high school dropout rate.

Camp Grace's partners are committed to changing the environment of these at-risk youth. These leaders serve at camp during the summer and follow up by loving and mentoring the campers year-round. The gospel doesn't stop after camp!

On Wednesday, Jun 10, we will take two buses with 30 people to serve with this great camp as a one-day mission team. We will arrive in the afternoon and focus on camp activities and worship. During worship, we will demonstrate God's great love for these children and youth by washing their feet as Jesus modeled for us. Additionally, we will then give each child a new pair of tennis shoes provided through our JF ministries. If you would like to serve, please register:
